Saint Nicholas

For many years now, Saint Nicholas has come to visit our school, on or around the date of his birth, December 6th. Saint Nicholas is not to be confused with Jolly Old Santa Claus - Oh no indeed! In fact, he was a Bishop who lived hundreds of years ago. Born to wealthy parents and orphaned at a young age, Nicholas was raised in a monastery, where early on he

Updated Playground Rules Policy 2015

Dear Sunrise Parents,
We would like to share with you our new playground rules now that they have been revised and approved by the Grades school faculty and the Health and Safety Committee. We hereby kindly request your support to help us enforce these rules whenever a staff supervisor is not on duty on school grounds, especially before 8:10 am and after 3.25 pm. Please share these rules

Winter Recital

We are again looking forward to our annual Winter Concert presented by the grades children on Friday, December 11 at 1:00 pm. The teachers and

children are busy preparing pieces to share with parents and friends of the school community. They will be showcasing singing, instrumental music, folk dances, speech, and recitations. It will be another wonderful opportunity to sample the arts as they are practiced within our classrooms. Please ensure that your child(ren) are dressed in festival clothing with white tops/dress and dark bottoms. No boots are to be worn and dress shoes are preferred. We look forward to seeing you there!

with whomever drops off or picks up your children at school. Thank you very much for your vigilance and kind cooperation in this matter. To view the new playground rules [click here.](#)

Dearest Community,

Terri B (mother of Ariana in CI 6 and Angus in CI 4) has given me the green light to solicit vegetarian food to go into her freezer; supporting

her to focus her energy on healing in the coming weeks and months. The family doesn't eat meat or eggs, but is fine with dairy and all grains. I am available to receive and transport any extra batches of soups, casseroles - whatever is easiest for you to prepare and share, that is freezable. I'm at school at drop-off and pick-up many days, and will be happy to deliver to Terri's kitchen. To arrange a hand-off, call me at 250-715-1501, or [email me](#). If your offerings can be given in recyclable-disposable containers instead of ones that need to be returned to you (repurposed yogurt containers, tin foil, etc.), that would be wonderful. Thank you to this beautiful community with so much heart,

~ Chantell F (CI 5)
