- Ms. Chantey

I remember the first time I met Ms. Ruth, do you? Her warmth and love for the children was immediately apparent. She is a pillar in our community and brings so much light to our dear school. [Read here](#) to know more about this amazing teacher, mentor, community member and grandma. With 35 years of service and growth to reflect on, Ruth offers an amazing perspective for us, the parents and faculty that will carry our school forward.

### All Are Invited to Celebrate Our Dear Ms. Ruth

**Saturday June 25th**

**3:00 - 6:00 pm**

**at Sunrise Waldorf School.**

Please bring finger food potluck dishes to share, make sure to bring a blanket or lawn chairs, plates and cutlery. Coffee, tea, juice and a special retirement cake will be provided. An open mike will be available or feel free to bring your own written greetings to Ruth.

As there will not be any organized children's activities, children who are accompanying adults will need parental supervision.

### Class 7 Studies Physics and Electricity - Ouch!

Class 7 students Mika and Lily came by the office to show us how they could use their tongues to conduct electricity. "We put a piece of copper on either side of our tongue and connected their ends together. We could feel a small electrical shock because our tongue acted as a conductor for the electricity that ran through the copper". Talk about whole body learning!

### Class 3 - Strawberry Rhubarb Cobbler - YUM!

Anoush brought rhubarb from her garden and Mabel brought strawberries from hers. Add some oats, flour, and honey, get your friends from Class 3 to help with the chopping and stirring and voila, a delicious summer treat. Remember to write the recipe in your main lesson book so that you can make it again at home.

# From the Office

## Comfort Packs

For those that prepared comfort packs in September, it is now time for those packs to go home. Comfort packs will be available for pick up starting Tuesday May 31st after school until Wednesday June 15 at the office.

Parents please note that comfort packs that are not picked up by the deadline will not be kept or available in the fall.

## Convenient Ways to Pay Tuition and Fees!

SWS is now accepting deposits, fees, and tuition payments via Paypal and e-transfer!

**Paypal can be accessed from our website by scrolling down on the Admissions tab and click on Admissions Forms**

e-transfers can be directed to:  
**bookkeeper@sunrisewaldorfschool.org**

Please note that if you are paying full tuition fees by July 4th using Paypal, the 2.5% discount will not apply in order to offset the cost to SWS for the transaction.

## Facilities - Help Needed

The Facilities Committee is looking for one or two volunteers to build a new paint rack for Class Five and a wooden frame around a small chalkboard in Class Four. The school will cover the cost of the supplies.

Sincerely,  
The Facilities Committee.

This is the best kind of learning!

## Mothes Summer Camps

We are excited to announce that we will be offering 3 two-week summer camps at Sunrise Waldorf School this summer. Only a few weeks from now the conch shell will be sounding up in the big field! Please read here for dates and details. We will also hang posters, flyers, and registration forms at the main entrance of the school. Take advantage of our Early Bird Special and feel free to pass the information

on to friends. We do offer some financial aid - please talk to us! We have never turned anyone away.
