APPLICATION FOR ADMISSION OF FORMER STUDENT

Thank you for your interest in Sunrise Waldorf School. A student will be considered a former student when they apply to return to the school after withdrawing during the school year or if they have not re-registered for the upcoming school year.

Our application process for former students applying to return to Sunrise Waldorf School is as follows:

1. Complete the Application for Admission of Former Student and return it to the school office with the **\$200.00 application fee** and previous school records. The application fee is required for all applications and is valid for the current school year only.
2. It is imperative that school and family resolve any outstanding issues which may have contributed to the withdrawal of the student. Prior to a former student's application being considered, the following criteria must be met:
 - a. Payment of any outstanding fees.
 - b. Resolution of any outstanding issues by either the school or the family.
 - c. Commitment of school and family to maintain open, honest and respectful communication.
3. Once any outstanding issues are resolved, a meeting will be scheduled between the class teacher, parent(s) and child. During the interview, your child's general skills, abilities and stage of development will be reassessed. In some circumstances the Pedagogical Committee may be consulted. If necessary, you may be asked to provide further assessment.
4. Parents will be contacted by the Director of Admissions or the Head of School regarding whether or not your child has been accepted to return to Sunrise Waldorf School. Some students may only be accepted upon certain conditions.
5. If your child has been accepted, a non-refundable deposit of \$500 is due immediately. The deposit will be deducted from the annual tuition payment. Once the deposit has been received the Registrar will contact you for a registration appointment. Registration is complete upon payment of registration and tuition fees and upon signing the registration forms and tuition agreement.

Each student who is registered will undergo a minimum three month trial period. During this time, the family will have the opportunity to reconnect with the school, and the teacher will be able to observe the student's needs and abilities. At the end of the trial period, either the parents or teacher may terminate the enrolment.

Thank you for your continued interest. We look forward to meeting with you.
